The Trustees shall have the right and duty to attempt to recover the unpaid Common Charges, interest thereon and the expenses of the proceeding in an action brought against the Unit Owner or by enforcement of the lien on the Unit as provided in Section 6 of Chapter 183A

Section 5.6. Enforcement of Liens for unpaid Common Charges. In any action brought by the Trustees to enforce a lien on a Unit because of unpaid Common Charges, the Unit Owner shall be required to pay a reasonable rental for the use of his/her Unit commencing at the time of entry of a final judgment not appealed from in an enforcement action, and the plaintiff in such enforcement action shall be entitled to the appointment of a receiver to collect the same. The Trustees, acting on behalf of all Unit Owners, shall have the power to purchase the Unit at the sheriff's sale and to acquire, hold, lease, mortgage, convey or otherwise deal with (but not to vote the Beneficial Interest appurtenant to) the Unit, provided however, that if the purchase price for the Unit is more than the amount of the outstanding Common Charges due for the Unit, prior to such purchase, the Trustees shall obtain the written consent of all Unit Owners, other than the Owner of the Unit being sold. The existence of the right to enforce the lien for unpaid Common Charges shall not preclude the Trustees from suing a Unit Owner personally to recover a money judgment for unpaid Common Charges.

Section 5.7. Acquisition of Units by Trustees. Acquisitions of Units by the Trustees, as permitted hereunder, may be made from Common Funds or, if such funds are insufficient, the Trustees may (i) levy an assessment as a Common Charge against the Unit Owners in accordance with their Beneficial Interests hereunder or (ii) borrow money to finance the acquisition of such Unit(s), provided, however, that no financing may be secured by an encumbrance or lien on any property other than the Unit, together with its Appurtenant Interests, so to be acquired by the Trustees. In the event that a Unit shall be acquired by the Trustees, or their nominee, on behalf of all Unit Owners, all such Unit Owners shall be deemed to have waived all rights of partition with respect to such Unit.

## Section 5.8 Insurance.

### Section 5.8.1. Hazard Insurance.

The Trustees shall obtain and maintain, to the extent obtainable and permitted by applicable law, master policies of multi-peril type insurance, including casualty and physical damage insurance, for the benefit of the Trustees and all of the Unit Owners, naming as the insured, and with loss proceeds payable to, the Trustees hereunder for all of the Unit Owners and their respective mortgagees, as their interests may appear (hereinafter collectively referred to as the "Named Insured's"). The standard mortgage clause shall name each Unit's first mortgagee (if any) and its successors and assigns as their interests may appear. Such insurance shall cover the Unit, any common supplies, and other common personal property of the Trust, all other portions of the Building, and all other insurable improvements forming part of the Common Elements; but not including the furniture, furnishings or other personal property of the Unit Owners, whether within the Units or elsewhere. The master policy shall also include any fixtures, equipment, major appliances or other property within the Units which are customarily considered a part of the Unit for mortgage purposes (regardless of whether such property is a part of the Common Elements). With respect to the Commercial Unit it shall also include trade fixtures and equipment. Such insurance shall, unless the same is not obtainable, be maintained in an amount at least equal to One Hundred (100%) percent of the replacement cost of the insured property (exclusive of foundations) without deduction for depreciation, and shall insure against loss or damage by fire and other hazards covered by the standard extended coverage endorsement and such other hazards or risks which are customarily covered with respect to buildings similar in construction, location, and use, including, without limitation, vandalism, malicious mischief, windstorm and water damage, and any other perils normally covered by the Standard "all risk" endorsement. To the extent the trustees deem necessary, coverage for the perils of earthquakes, flood, and boiler and machinery explosion or damage shall also be included in the Master Policy. The policy shall include a so-called Replacement Cost Endorsement.

Section 5.8.2. Insurer's Agreements. All policies of casualty or physical damage insurance shall, to the extent obtainable, (i) provide that the policies may not be cancelled, terminated or substantially modified without at least twenty (20) days' written notice to each Named Insured; (ii) provide that, notwithstanding any provisions thereof which give the insurer the right to elect to restore damage in lieu of making a cash settlement, such election may not be exercised without the approval of the Trustees and may not be exercised, in any event, if in conflict with the terms of this Declaration of Trust; (iii) include waivers of subrogation (if available) as to any claims against the Trust, the Trustees, the officers, the manager, the managing agent and their respective agents and employees, and the Unit Owners and their respective employees, agents and guests, and of any defense based on invalidity arising from the acts of the insured; (iv) recovery thereunder shall not be affected on account of the availability of proceeds under any policies obtained by individual Unit Owners covering their own Units (generally referred to as the "special Condominium Endorsement"); (v) adjustments of loss shall be made by the Trustees; (vi) that any insurance trust agreement shall be recognized; and (vii) that an "Agreed Amount Endorsement" (if available) and an "Inflation Guard Endorsement" shall be part of the policy.

Section 5.8.3. Insurance Trustees. The Trustees, as insurance trustees hereunder for the benefit of the Unit Owners and mortgagees, shall collect all casualty loss insurance proceeds, shall hold such proceeds in an identified segregated fund and shall use, apply and disburse them for the purposes and in the manner set forth in this section and in Section 5.9. If repair and restoration are to be made pursuant to Section 5.9, all insurance loss proceeds shall be disbursed to defray the cost of repairs and restoration of the damaged Common Elements and the one or more damaged Units, and, with respect to losses which affect portions or elements covered by insurance of more than one Unit to different extents, the proceeds relating thereto shall be used, applied and disbursed by the Trustees, in their judgment, in a fair and equitable manner.

Section 5.8.4. Additional Coverage. The Trustees shall also obtain and maintain, to the extent applicable and obtainable, master policies of insurance with respect to the Common Elements for the benefit and protection of the Trustees and the Unit Owners, for:

A. Liability Insurance for comprehensive general liability insurance coverage covering all of the common areas, public ways of the condominium, and commercial spaces owned by the Trust. Such coverage shall be for not less than \$1,000,000 for bodily injury, including deaths of persons and property damage arising out of a single occurrence, and shall include, without limitation, legal liability of the insured's for property, bodily injuries and deaths of persons in connection with the operation, maintenance or use of the common areas, legal liability arising out of lawsuits related to employment contracts of the Trust, and shall provide further that such policy or policies may not be cancelled or substantially modified by any party without at least twenty (20) days' prior written notice to the Trust and to the holders of first mortgages which are listed as scheduled holders of first mortgages in the insurance policy.

B. Fidelity Bond if required by majority vote of the Unit owners or if required by an institutional first mortgagee, a Bond Fidelity in blanket form for all officers, directors, trustees and employees of the Trust and all other persons handling or responsible for funds of or administered by the Trust and if the Trust has delegated some or all of the responsibility for the handling of funds to a management agent, then such bonds shall cover the officers, employees and agents handling or responsible for funds of, or administered on behalf of, the Trust. The total amount of fidelity bond coverage shall not be less than the estimated maximum of funds, including reserve funds, in the custody of the Trust or the management agent, as the case may be, at any given time during the term of such bond, and in any event the aggregate amount shall not be less than a sum equal to three (3) months' aggregate assessments on all units plus reserve funds.

(1) The fidelity bonds shall name the Trust as an obligee;

(2) The bonds shall contain waivers by the issuers of the bonds of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees" or similar terms or expressions; and

(3) The bonds shall provide that they may not be cancelled or substantially modified (including cancellation for non-payment of premium) without at least ten (10) days' prior

written notice to the Trust and to the holders of first mortgages which are listed as scheduled holders of first mortgages in the insurance policy.

C. Construction Cost Endorsement (such as a Demolition Cost Endorsement, a Contingent Liability from Operation of Building Laws Endorsement and an Increased Cost of Construction Endorsement if the Condominium is or becomes subject to a construction code provision) which would become operative and require changes to undamaged portions of the Building.

All such insurance shall be in such amounts and forms as the Trustees shall, in their discretion, deem appropriate, and shall, insofar as practicable, contain provisions as set forth in Section 5.8.2. Such insurance shall not cover the liability of any Unit Owner as to claims arising out of incidents occurring within his own Unit or claims arising out of incidents occurring within any area as to which he has an exclusive easement and as a result of his special rights to use the same, but it shall be the responsibility of each Unit Owner, as provided in Section 5.8.8, to maintain his own public liability insurance therefor. The Trustees may elect to include any manager, managing agent, officer, trustee, employee or volunteer of the Condominium as a party insured under the policies of insurance described in Paragraphs A, D, and E of Section 5.8.4.

Section 5.8.5. Annual Review of Coverage. The Trustees shall evaluate and may cause an independent appraiser to evaluate, at least annually, the amount of insurance coverage, and if necessary, shall increase the amount of coverage on the master insurance policy accordingly. Any unit owner who makes improvements, enhancements or upgrades to his/her unit during any policy year the cost of which exceeds One Thousand (\$1,000) Dollars shall report same to the Trustees so that such increase in insurable value may be accounted for at the date of policy renewal.

Section 5.8.6. Insurers Qualifications. Each insurance carrier must be licensed or authorized by law to transact business within the Commonwealth of Massachusetts. To the extent possible, the Trustees shall not obtain policies of insurance which provide that (i) under the terms of the carrier's charter, by-laws or policy, contributions or assessments may be made against a Unit Owner or his mortgagee, as an insured; (ii) by the terms of carrier's charter, by-laws or policy, loss payments are contingent upon action by the carrier's Board of Directors, policyholders, or members; or (iii) the policy includes any limiting clauses (other than insurance conditions) which could prevent a Unit Owner or his Mortgagee, as an insured, from collecting insurance proceeds.

Section 5.8.7. Premiums to the Common Expense,

- (i) The cost of insurance obtained and maintained by the Trustees pursuant to all provisions of this Section 5.8 (other than Section 5.8.7) shall be assessed to the Unit Owners as a Common Expense.
- (ii) Nothing shall be done or kept in any Unit or in the Common Areas and Facilities or the Common Elements that will increase the rate of insurance on the Building or the contents thereof without prior written consent of the Trustees. Provided however, that as to the Commercial Unit, the use of the Commercial Unit as permitted under the Condominium

Documents shall not require the prior written consents of the Trustees. If the Trustees grant such consent they may condition such consent upon the agreement of the Unit Owner responsible for such increase to pay the amount of such increase. In the event consent is not required as to the Commercial Unit, but such use increases the rate of insurance of the Building or the contents thereof (e.g. where a Commercial Unit is used for its intended purpose upon the creation of the Condominium or soon thereafter, the improvement of the Commercial Unit from raw space to its intended space, pursuant to the Master Deed, shall be deemed an event where an increase in the rate of insurance shall be the responsibility of the Commercial Unit Owner), the respective owner of the applicable Commercial Unit shall pay the amount of such increase.

- (iii) Each Unit Owner shall notify the Trustees in writing of all improvements to his or her Unit (excluding personal property, including furniture, equipment, removable furnishings and the like, but including fixtures for insurance purposes would normally be deemed to constitute a part of the Building) that exceed at total value of one thousand dollars (\$1,000.00) within twenty (20) days after the commencement of construction of such improvements and upon receipt of such notice, the Trustees shall notify the insurer under any policy obtained pursuant to this Section of any such improvements. Any premium increase caused by such improvements may be assessed to the Owners of the improved Unit. No Unit Owner shall be entitled to received insurance proceeds for the repair, restoration or rebuilding of any such improvements not so reported to the Trustees, unless otherwise consented by vote of the Trustees.

#### Section 5.8.8. Unit Owner's Separate Insurance

- (i) Each Unit Owner shall carry insurance at his own expense for his own benefit insuring, *inter alia*, his floors, carpeting, wall coverings other than paint, drapes and other window treatments, furniture, furnishings and other personal property owned by the Unit Owner, and personal liability, and loss assessment coverage, provided that all such policies shall contain waivers of subrogation, and further provided, that the liability of the carriers issuing insurance obtained by the Trustees shall not be affected or diminished by reason of any such additional insurance carried by a Unit Owner. Unit Owners shall provide Certificates of Insurance to the management company, Trustees, Declarant and all others who may be entitled thereto. The master insurance policy shall not cover floors of Units, and it shall be the exclusive responsibility of Unit Owners to insure the floors to their Units. Insurance coverage carried by the Unit owners shall be subject to all provisions of this Trust and Master Deed. Any work done to a Unit pursuant to a Unit Owner's insurance coverage shall be subject all related provisions in the Master Deed including, but not limited to, restrictions and requirements established by the Declarant and/or the Trustees determining permitted workman at the Condominium.
- (ii) The Commercial Unit Owners or their tenants shall carry comprehensive general liability insurance of not less than one million dollars (\$1,000,000.00) combined single limit per occurrence and on a per location basis naming the Condominium Trust, the trustees and any managing agent or manager, if any as additional insured, and shall deliver copies of all such policies, or certificates thereof, and proof of payment of premiums to the Trustees and to such managing agent or manager. prior to opening for business and shall maintain its

required insurance hereunder throughout its ownership or tenancy. In the event of cancellation of its comprehensive liability insurance, the Trustees shall notify the Owner or Tenant in writing and if the insurance is not reinstated or replaced, the Trustees are authorized to seek injunctive relief asking a court of competent jurisdiction to close the business until such time as the required insurance policy is delivered to the Trustees .

#### Section 5.8. 9. FHLMC and FNMA Insurance Requirements.

If FHLMC Or FNMA holds any interest in one or more mortgages on Units, the Trustees shall obtain and maintain, to the extent maintainable, such other insurance as may be required from time to time by whichever of FHLMC or FNMA (or both) holds such interest, including without limitation, fidelity coverage against dishonest acts on the part of Trustees, managers, employees or volunteers responsible for handling the Trust funds and public liability insurance, which policies shall be in such amounts and contain such terms as may be required from time to time by whichever of FHLMC or FNMA (or both) holds such interest. In addition, if FHLMC or FNMA holds any interest in one or more mortgages on Units, then whenever any Unit and/or the Common Elements are damaged by fire or other hazard, the Trustees shall give notice of such damage to such persons as may be required by whichever of FBLMC or FNMA (or both) holds such interest.

#### Section 5. 9. Repair or Reconstruction after Fire or Other Casualty.

(a) In the event of damage to or destruction of (i) the Common Elements as a result of fire or other casualty (subject to the statutory requirements contained in Paragraph (f) of this section) or (ii) any Unit as a result of fire or other casualty, whether or not the Common Elements have been damaged or destroyed (unless the last paragraph of this section is applicable), the Trustees shall promptly adjust the loss, notify all Registered Mortgagees, arrange for the prompt repair or restoration of the same, and disburse the proceeds of all insurance policies in payment of all costs and expenses actually incurred in connection with such repair or restoration in appropriate progress payments and with appropriate retainage. All insurance proceeds paid to the Trustees on account of any casualty shall be dedicated solely to the repair or restoration of the loss, and any application of such proceeds by the Trustees on account thereof, shall be prior to the application of such proceeds for any other purpose.

(b) In the event that the total cost of repair or restoration, as estimated on the basis of an independent appraisal, or as determined during the course of repair or restoration, exceeds the total sum of available insurance proceeds, then the Trustees shall assess, levy or charge all Unit Owners, as Common Expense, for the amount in excess of the insurance proceeds available therefore necessary to complete the repair or restoration of the Common Elements and those portions of the Unit(s) with respect to which the Trustees are required to maintain casualty or physical damage insurance as provided in Section 5.7 hereof.

(c) Whenever the estimated cost of repair or restoration exceeds as to any one casualty or occurrence, on the basis of an independent appraisal, ten (10%) percent of the value of the Condominium prior to the casualty with respect to the Common Elements and/or ten (10%) percent of the replacement cost prior to the casualty with respect to any affected Unit, then the Trustees shall retain a registered architect, who shall not be directly or indirectly a Unit Owner or

an employee or agent of any Unit Owner or a Trustee or an employee or agent of any Trustee, to supervise the work of repair or restoration, and no sums shall be paid by the Trustees on account of such repair or restoration except upon certification to them by such architect or engineer that the work for which payment is being made has been completed in a good and workmanlike manner in accordance with approved plans and specifications and that the estimated total cost of completion of said repair or restoration, less amounts theretofore advanced, does not exceed the undisbursed proceeds of insurance as augmented by funds obtained by any assessment or assessments levied or chargeable to the Unit Owners as a Common Expense.

(d) The Trustees may perform emergency work essential to the preservation and safety of the Property or the safety of persons, or required to avoid the suspension of any essential service to the Property without having first engaged an architect, adjusted the loss or obtained proceeds of insurance.

(e) If there shall have been a repair or restoration pursuant to the foregoing and the amount of insurance proceeds shall have exceeded the cost of the repair or restoration, then the excess of the insurance proceeds, if any, shall be added to the Trust's Common Funds or, at the option of the Trustees, divided among all the Unit Owners in proportion to their respective Beneficial Interests; provided, however, that no provision herein shall be deemed to give a Unit Owner or any other party priority over any rights of the holder of the first mortgage (if any) on such Unit Owners' Unit pursuant to such mortgage in the case of a distribution to such Unit Owner of insurance proceeds for losses to Units and/or Common Elements. Mortgagees of Units will be entitled to priority with respect to any insurance proceeds distributed to their mortgagees.

(f) Notwithstanding the foregoing, if, as a result of fire or other casualty, the loss exceeds ten (10%) percent of the value of the Condominium prior to the casualty, and

(i) If at least seventy-five (75%) percent in Beneficial Interest hereunder do not agree within one hundred twenty (120) days after the date of the casualty to proceed with repair or restoration, the Condominium, including all Units, shall be subject to partition at the suit of any Unit Owner. Such suit shall be subject to dismissal at any time prior to entry of an order to sell if an appropriate agreement to rebuild is filed. The net proceeds of the partition sale together with any Common Funds shall be divided in proportion to the Unit Owners' respective Beneficial Interests, but, to the extent permitted by law, shall be paid first to the holder of any mortgage. Upon such sale of the Condominium, it shall be deemed removed from the provisions of Chapter 183A.

(ii) If seventy-five (75%) percent or more in Beneficial Interest hereunder agree to proceed with the necessary repair or restoration, the cost of the rebuilding of the Condominium in excess of any available Common Funds including the proceeds of any insurance, shall be a Common Expense, provided, however, that if such excess cost exceeds ten (10%) percent of the value of the Condominium prior to the casualty, any Unit Owner who did not so agree may apply to the Superior Court on such notice to the Trustees as the Superior Court shall direct, for an order directing the purchase of his/her Unit by the Trustees at the fair market value thereof as approved by the Superior Court. The cost of any such purchase shall be a Common Expense.

Section 5. 10., Maintenance and Repairs.

(a) Except as provided in Section 5.9, the Unit Owners shall be responsible for the proper maintenance and repair of their respective Units and the maintenance, repair and replacement of utility fixtures therein serving the same, including, without limitation, interior finish walls, ceilings, and floors; windows, and interior window trim; doors; door frames and interior door trim; plumbing and sanitary waste fixtures and fixtures for water and other utilities; electrical fixtures and outlets; and all wires, pipes, drains and conduits for water, sewerage, electric power and light, telephone and any other utility services which are contained in and serve such Unit. If the Trustees shall at any time in their reasonable judgment determine that the interior of any Unit is in such need of maintenance or repair that the market value of one or more other Units is being adversely affected or that the condition of a Unit or fixtures, furnishings, facility or equipment therein is hazardous to any Unit or the occupants, the Trustees shall in writing request the Unit Owner to perform the needed maintenance, repair or replacement or to correct the hazardous condition, and in case such work shall not have been commenced within fifteen (15) days (or such reasonably shorter period in case of emergency as the Trustees shall determine) of such request and thereafter diligently brought to completion, the Trustees shall be entitled to have the work performed for the account of such Unit Owner and to enter upon and have access to such Unit for that purpose. The reasonable cost of such work shall constitute a lien upon such Unit and the Unit Owner shall be personally liable therefore.

(b) Except for certain maintenance, repairs and replacement required to be performed by Unit Owners to any Limited Common Areas or other portions of the Common Elements to which Unit Owners have an exclusive use easement, as set forth in the Master Deed, all maintenance, repairs and replacements to the Common Elements shall be done by the Trustees and shall be charged to all the Unit Owners as a Common Expense, reserving to the Trustees the right to recover all or part of the costs of such work from a Unit Owner (and, to the extent allowed by law, to have and enforce a lien on such Unit Owner's Unit for such costs) if such work was necessitated by the negligence, misuse or neglect of such Unit Owner or any occupant of the Unit of such Unit Owner, or any guest, invitee, agent, servant or employee of such Unit Owner or occupant. Any Trustee, the managing agent or superintendent, if any, and if authorized in writing by the Trustees, may approve payment of vouchers for any such work.

(c) Violations of any laws, ordinances, codes, regulations, rules or orders of any authority having jurisdiction over the Condominium shall be corrected and the responsibility and expense therefor shall be borne according to the same criteria as are described in Subparagraphs (a) and (b) above.

(d) Nothing herein contained shall affect the legal liability of one Unit Owner to another or the Trust to a Unit Owner arising from any action or omission of a Unit Owner or the Trust and the agents, servants or guests of either.

#### Section 5. 11. Improvement

(a) If seventy-five (75%) percent or more but less than one hundred (100%) percent in Beneficial Interest hereunder agree to make an improvement to the Common Elements, such improvement may be made, but the costs of making such improvement shall be borne solely by the Unit Owners so agreeing.

(b) If seventy-five (75%) percent or more in Beneficial Interest hereunder agree to make an improvement to the Common Elements, such improvement may be made and the costs thereof assessed to all Unit Owners as a Common Expense, provided, however, that if such improvement shall cost in excess of ten (10%) percent of the then value of the Condominium, any Unit Owner not so agreeing may apply to the Superior Court, on such notice to the Trustees as the Superior Court shall direct, for an order directing the purchase of his/her Unit by the Trustees at fair market value thereof as approved by the Superior Court. The cost of any such purchase shall be a Common Expense.

(c) A petition for a proposed improvement shall be submitted to all Unit Owners by the Trustees on their own initiative or at the request of not less than twenty-five (25%) percent of the Beneficial Interests. The petition shall describe the improvement(s) to be made and the estimated cost thereof. A copy of Section 18 of Chapter 183A shall be attached to the petition. Unit Owners shall have ninety (90) days to reach agreement by either seventy-five (75%) percent or more but less than one hundred (100%) percent of the Beneficial Interests, in which case Paragraph (a) of this section shall be applicable, or by more than seventy-five (75%) percent of the Beneficial Interests, in which case Paragraph (b) of this section shall be applicable. If less than seventy-five (75%) percent of the Beneficial Interest reach agreement within the ninety (90) day period the improvement shall not be made, and any further proposal with respect to the same improvement shall likewise be subject to the requirements of this section.

(d) No Unit Owner shall make any addition, alteration or improvement of a structural nature in or to his/her unit, and no Unit Owner shall make any exterior alteration or addition (including painting, awnings, grills and the like), without in each instance the prior written consent of the Trustees, such consent not to be unreasonably withheld or delayed. All plans and specifications must be approved by the Trustees, and the work shall be performed strictly in accordance therewith. No work shall be commenced unless such work complies with all applicable statutes, regulations, and ordinances, and all required permits have been obtained. The Trustees shall not incur any liability to any contractor, subcontractor or materialman on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom.

Section 5.12. Cost of Work to be Funded. Notwithstanding anything to the contrary in Sections 5.9, 5.10, or 5.11 hereof, the Trustees shall not in any event be obligated to proceed with any repair, rebuilding, restoration or improvement, unless and until they have received funds in an amount equal to the estimate of the Trustees of all costs thereof.

Section 5.13. Right of Access. A Unit Owner shall grant a right of access to his/her Unit (at reasonable times and upon reasonable notice except in emergencies) to the Trustees, the managing agent and/or any other person authorized by the Trustees, or the managing agent, for the purpose of making inspections, for the purpose of correcting any conditions originating in his/her Unit and threatening another Unit or a Common Element or for the purpose of performing installations, alterations, repairs or replacements to the Common elements in his/her Unit or elsewhere in the Building(s) or on the land. In case of emergency, such right of access shall be immediate, whether or not the Unit Owner is present. In the event of the exercise of the rights of

access provided in this section, any costs for repairs shall be borne in accordance with the provisions of Section 5.9.

Section 5.14. Rules and Regulations. The Trustees may promulgate, amend and/or rescind Rules and Regulations attached hereto as Exhibit A, which may govern the details of the operation and use of the Common Elements and impose such restrictions and requirements respecting the use and maintenance of the Units and the Common Elements as are consistent with the provisions of this Declaration of Trust and the Master Deed and designed to prevent unreasonable interference with the use by the Unit Owners of their Units and the Common Elements; provided, however, that no such action shall be taken which will adversely affect the holder of any mortgage of a Unit without the written consent of such holder or which will adversely affect Declarant, while Declarant owns any Unit without the written consent of Declarant. A vote of one hundred (100%) percent of the Beneficial Interest at a meeting of Unit Owners may overrule and declare void any Rules and Regulations adopted by the Trustees. Copies of any modifications or amendments to the Rules and Regulations shall be furnished by the Trustees to the Unit Owners prior to the time when the same shall become effective, to each Registered Mortgagee and to the holder of any other mortgage of a Unit or any proposed mortgagee thereof so requesting the same in writing.

Section 5.15. Right of Action. The Trustees on behalf of the Condominium Trust and any aggrieved Unit Owner shall have a right of action against Unit Owners for failure to comply with the provisions of the Master Deed, Declaration of Trust and By-Laws, Rules and Regulations, or with decisions of the Trustees which are made pursuant thereto. Unit Owners shall have similar rights of action against the Trust. If, after written notice, a Unit Owner fails to cure any breach as above specified, the Trustees shall have the right, in addition to any other rights set forth herein or in Chapter 183A, to enjoin, abate, or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach.

Section 5.16. Exclusive Use of Common Areas. The Trustees at the request of a Unit Owner may authorize that temporary exclusive use of one or more common areas be assigned to such Units for such time and on such conditions as the Trustees may determine, which conditions may, without limitation, include a requirement that the Unit Owners so benefitted pay, as additional Common Expenses, such costs of said common areas as the Trustees from time to time may determine. The failure of the Trustees granting said exclusive use to require payment of any such costs as a condition of such exclusive use shall not preclude those Trustees, or any successor Trustees, from imposing reasonable additional Common Expenses for the exclusive use of said common areas. Unless otherwise provided in a writing signed by a majority of the Trustees and recorded with the Registry of Deeds, such rights of exclusive use of common areas shall be personal to the Unit Owners to whom granted and shall terminate when such Unit Owners no longer own the Units so benefitted.

Section 5.17. Manager. The Trustees may employ for the Condominium a manager at compensation established by the Trustees, to perform such duties and services as the Trustees shall authorize. The Trustees may delegate to the manager all of the powers granted to the Trustees by this Declaration of Trust other than the powers set forth in Paragraphs (b),(f), (g), (i), (j), that portion of (o) relating to requiring bonds and levying (but not collecting) fines and (p) of Section 4.1.4. No agreement for such management shall exceed three (3) years, nor shall the

Trustees enter into any management agreement or other contract which extends beyond the date through which the Declarant may designate a majority of the Trustees (as provided in Section 4.1.1 above) unless such agreement or contract provides that it may be terminated by the Trustees without cause and without payment of a termination fee within a reasonable time (not to exceed ninety (90) days) after such date

#### Section 5.18. Condemnation.

(a) If any empowered public or quasi-public authority initiates a proceeding to take any portion of the Condominium by eminent domain, the Trustees shall notify all Unit Owners and all mortgagees of record promptly after the commencement of such proceeding. If more than ten (10%) percent in value of the Condominium is taken under the power of eminent domain, the taking shall be treated as a "casualty loss", and the provisions of Section 17 of Chapter 183A shall apply. If one or more Units have been substantially altered or rendered uninhabitable as a result of a partial taking, and the Unit Owners vote to restore and continue the Condominium pursuant to the provisions of said Section 17 of Chapter 183A, the Trustees, with the written consent of Unit Owners entitled to at least seventy-five (75%) percent of the Beneficial Interest hereunder, shall have the authority to acquire the remaining portions of such Units, at a price which the Trustees shall determine, provided, however, that any Unit Owner of such remaining portion who does not agree with the determination may apply to the Superior Court, on such notice to the Trustees as the Superior Court shall direct, for an order directing the purchase of such remaining portion at the fair market value thereof as approved by the Superior Court. Where, as a result of a partial taking, the number of Units is decreased or any one or more Unit(s) is decreased in size, then the Trustees shall make provisions for realignment of the Beneficial Interests by reallocating each of the affected Units' entire undivided interest in the Common Elements and the Beneficial Interest under the Trust to the remaining Units of the Condominium in proportion to the respective undivided interest of the remaining Units in the Common Elements prior to the taking, and shall prepare, arrange execution of and record an amendment to the Master Deed reflecting the realignment. Any remnant of a Unit remaining after part of the Unit is taken under this section shall thereafter be a part of the Common Elements.

(b) Except as provided in the preceding paragraph, if part of a Unit is acquired by eminent domain, the award shall compensate the Unit Owner for the reduction in value of the Unit and its undivided percentage interest in the Common Elements. Upon acquisition, (i) that Unit's undivided interest in the Common Elements shall be reduced on the basis of the reduction of the fair value of the Unit as at the date of such taking bears to the fair value of the remaining Units in the Condominium as at such date, and (ii) the reduction in interest in the Common Elements of such Unit shall be divested from the Unit so acquired and shall automatically be reallocated to the remaining Units in proportion to the respective undivided interest of the remaining Units in the Common Elements prior to the date of such taking.

(c) In the event of a total or partial taking under the powers of eminent domain, the Unit Owners shall be represented in any proceeding by the Trust acting through the Trustees to whom any award shall be paid as "Condemnation Trustees". In the event of a partial taking, the award

shall be allocated to the Unit Owners, according to their respective Beneficial Interests, except as to any portion or portions of the award which are attributable to direct or consequential damages suffered by particular Units (including any portion of the award attributable to the acquisition of a portion of the Common Elements which had been exclusively reserved to the Unit), which shall be payable to the Owners of such Units or their mortgagees as provided in their mortgage instruments. In the case of a total taking of all Units and the Common Elements, the entire award shall be payable to the Trustees to be distributed to Unit Owners in accordance with their respective Beneficial Interests, or their mortgagees as provided in their mortgage instruments, or other lien holders as their interest may appear, or as may be required by law.

(d) No vote or consent required of a Unit Owner pursuant to this section shall be effective without the written consent thereto of any Registered Mortgagee, or the holder of any first mortgage of record of such Unit. No provision herein shall be deemed to give a Unit Owner or any other party priority over any rights of the holder of the first mortgage (if any) on such Unit Owner's Unit pursuant to such mortgage in the case of distribution to such Unit Owner of condemnation awards for taking of Units and/or Common Elements. Mortgagees of Units will be entitled to priority with respect to any awards distributed to their mortgagors. Each Unit Owner and Mortgagee hereby appoints the Trustees hereunder as his/her/its attorney-in-fact for the foregoing purposes.

Section 5. 19. Real Fiscal Taxes Prior to Separate Assessment of Units. Section 9. 6. Application. All present and future owners, mortgagees, lessees and occupants of Units and their employees, and any other persons who may use the facilities of the Property in any manner are and shall be subject to provisions of the Master Deed, this Declaration of Trust and the Rules and Regulations and all covenants, agreements, restrictions, easements and declarations of record ("title conditions"). The acceptance of a Unit Deed or conveyance, the execution of a lease for a Unit or the act of occupancy of a Unit shall constitute an agreement that the Master Deed, this Declaration of Trust, the Rules and Regulations, as any of them may be amended from time to time, and the title conditions are accepted, ratified, and will be complied with.

## ARTICLE X AMENDMENTS

Section 10.1 Amendments to this Declaration of Trust. Except as provided below in this section, this Declaration of Trust may be amended, altered or repealed in any manner or to any extent at any annual or special meeting of the Unit Owners called for the purpose, provided the notice of which shall specify the subject matter of the proposed alteration, amendment or repeal or the sections to be affected thereby, by the affirmative vote. of Unit Owners holding at least seventy-five (75%) percent of the Beneficial Interest hereunder, the Trustees first, however, being duly indemnified to their reasonable satisfaction against outstanding obligations and liabilities; provided always, however, that

no such amendment, alteration or repeal shall be valid or effective: (i) which is made without the consent of Declarant prior to the date on which Declarant ceases to own any Units or two (2) years from the date of recording of the Master Deed, whichever shall first occur; (ii) according to the purport of which the percentage of the Beneficial Interest hereunder of any Unit Owner would be altered, or the basis for allocation of Common Expenses, Common Charges or distributions to Unit Owners, or the exclusive use right of any Unit(s) to a portion of the Common Elements would be changed, other than by affirmative vote of all of the Unit Owners; (iii) which would render this Trust contrary to or inconsistent with any requirements or provisions of Chapter 183A; (iv) which would amend, alter or repeal Sections 1.1 or 1.2 or this Section 10.1, other than by affirmative vote of all Unit Owners; or (v) which would amend, alter or repeal Section 9.2, other than by affirmative vote of all Trustees and all Unit Owners.

Section 10. 2. Amendment Effective on Recording Any amendment, alteration or repeal pursuant to the foregoing provisions of this section shall become effective upon the filing with the Registry of an instrument of amendment, alteration or repeal, as the case may be, signed, sealed and acknowledged by a majority of the Trustees in office at the time, setting forth in full the amendment, alteration or repeal and reciting the consent of the Unit Owners and any mortgagees herein required to consent thereto. Such instrument, so executed and recorded, shall be conclusive evidence of the existence of all facts and compliance with all prerequisites to the validity of such amendment, alteration, or repeal, whether stated in the instrument or not, upon all questions as to title or affecting the rights of third persons and for all other purposes.

Section 10 .3. Amendments Not to Disqualify Mortgages. The Master Deed and the Condominium Trust shall not be altered, amended or otherwise changed if such alteration or amendment will, in any manner, disqualify mortgages of units in the condominium for sale to FHLMC or FNMA. All provisions of this Condominium Trust and the Master Deed shall be construed so as to qualify any such mortgages for sale to FHLMC and FNMA.

Section 10. 4. Corrective Amendments. Notwithstanding anything herein contained to the contrary, Declarant reserves the right and power to record a special amendment ("Special Amendment") to this Declaration of Trust at any time and from time to time which amends this Declaration of Trust (i) to comply with requirements of the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Department of Housing and Urban Development, the Federal Housing Administration, the Veterans Administration, or any other governmental agency or any other public, quasi-public or private entity which performs (or may in the future perform) functions similar to those currently performed by such entities; (ii) to induce any of such agencies or entities to make, purchase, sell, insure, or guarantee first mortgages covering Unit ownership; (iii) to bring this Declaration of Trust into compliance with Chapter 183A of the General Laws of the Commonwealth of Massachusetts; or (iv) to correct clerical or typographical errors in this Declaration of Trust or any exhibit thereto or any supplement or amendment thereto. In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to Declarant to vote in favor of, make or consent to any such Special Amendment(s) on behalf of each Unit Owner. Each deed, mortgage, other evidence of obligation, or other instrument affecting a Unit and the acceptance thereof, shall be deemed to be a grant and acknowledgment of, and a consent to the reservation of, the power to the Declarant to vote in favor of, make,

execute and record Special Amendments. The right of the Declarant to act pursuant to rights reserved or granted under this section shall terminate at such time as the Declarant no longer holds or controls title to a Unit.

## ARTICLE XI MISCELLANEOUS

Section 11. 1. Records. The Trustees or the manager shall keep records of their actions and financial records and books of account of the Trust, including a chronological listing of receipts and expenditures and a separate account for each Unit which, among other things, shall contain the amount of each assessment of Common Charges against the Unit, the date when due, the amounts paid thereon and any balance remaining unpaid. An annual report of the receipts and expenditures of the Trust shall be rendered by the Trustees to all Unit Owners promptly after the end of each fiscal year. An annual financial statement of the Trust shall be rendered by the Trustees to all Unit Owners and all mortgagees requesting same within ninety (90) days after the end of each fiscal year. In addition, if FNMA or FHLMC holds any interest in one or more mortgages on Units, such annual financial statement shall be audited by and contain the certification of a public accountant if required by whichever of FNMA or FBLMC (or both) holds such interest, the cost of such audit and certification to be charged as a Common Expense. Copies of the Master Deed, Rules and Regulations, this Declaration of Trust and floor plans of the Building(s) and Units, as the same may be amended from time to time, and the records of the actions of the Trustees and financial records and books of account of the Trust shall be maintained by the Trustees and shall be available for inspection by Unit Owners and their authorized agents during reasonable business hours upon reasonable prior notice.

Section 11. 2. Fiscal Year. Except as from time to time otherwise provided by the Trustees, the fiscal year of the Trust shall end on the thirty- first day of December in each year.

Section 11. 3. Invalidity. The invalidity of any part of this Declaration of Trust shall not impair or affect in any manner the validity, enforceability or effect of the balance of this Declaration of Trust.

Section 11. 4. Captions. The Table of Contents (if any) and the captions herein are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope of this Declaration of Trust or the intent of any provision hereof.

Section 11. 5. Gender. The use of the masculine gender in this Declaration of Trust shall be deemed to include the feminine and neuter genders, and the use of the singular shall be deemed to include the plural whenever the context so admits or requires.

Section 11. 6. Waiver. No restriction, condition, obligation, or provision contained in this Declaration of Trust shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, regardless of the number of violations or breaches thereof which may occur.

Section 11. 7. Conflicts. If any provision of this Trust shall be invalid or shall conflict with Chapter 183A, as amended, of the General Laws of Massachusetts, or if any provision

of this Trust conflicts with any provision of the Master Deed, then the following rules of constructions shall be used:

(a) In the event of a conflict between the Trust and said Chapter 183A, as amended, the provisions of Chapter 183A shall control;

(b) In the event of a conflict between any numerical voting requirements for action set forth in the Master Deed and any such requirements set forth herein, the provisions requiring the greater percentage or fraction for action to be taken or avoided shall control;

(c) In the event of any conflict (other than that set forth in Subparagraph (b) of this section) between the provisions of the Master Deed and any other provision hereof, the provisions of the Master Deed shall control.

Section 11.8. Notice. Except as otherwise specified in Sections 3.7 and 4.1.6, all notices hereunder shall be sent by registered or certified mail return receipt requested to the Trustees at the Condominium or to such other address as the Trustees may hereafter designate from time to time, by notice in writing to all Unit Owners. All notices to any Unit Owner shall be delivered in hand or shall be sent by registered or certified mail return receipt requested to the Condominium or to such other address as may have been designated by the Unit Owner from time to time, in writing, to the Trustees. All notices shall be deemed to have been given when so mailed, except notices of change of address which shall be deemed to have been given when received.

Section 11.9. Arbitration of Disputed Unit Owners Action, In the event that any Unit Owner, by written notice to the other unit owner(s), shall dissent from any determination or action of the unit owner(s) herein, and such dispute shall not be resolved within thirty(30) days after such notice, then such dispute shall be submitted first to an minimum three (3) hour mediation with a mutually agreeable mediator or mediation program with costs to be divided equally between the parties. If the parties to the dispute cannot agree on a mediator, the mediation service offered by the Real Estate Bar Association of Massachusetts shall be the default mediator. Failure to mediate in good faith shall subject such party to sanctions in any subsequent arbitration or legal proceedings. If such dispute shall not be resolved through the mediation process, then the parties shall submit the matter to binding arbitration. For that purpose, one arbitrator shall be designated by the Unit Owner taking action, one by the dissenting Unit Owner(s) and a third by the two arbitrators so designated. Such arbitration shall be conducted in accordance with the rules and procedures of the Real Estate Bar Association and shall be binding upon all parties. The costs of such arbitration shall likewise be borne equally by the parties unless the Arbitrator awards otherwise. Notwithstanding the foregoing, this paragraph shall not apply to claims for collection of amounts due the Condominium Trust herein for common charges and assessments which shall be enforced pursuant to M.G.L.c. 183A, Section 6.

Section 11.10. Duration. The Trust hereby created shall terminate only upon the removal of the Condominium from the provisions of Chapter 183A in accordance with the procedures set forth in this document. Except as otherwise provided herein, the Unit Owners may remove all or a portion of the Condominium from the operation of Chapter 183A at any annual or special meeting of the Unit Owners by the affirmative vote of all the Beneficial Interest hereunder,

provided that notice of the removal is given in the notice of the meeting and, provided, further, that the holders of all first mortgages on Units consent to such removal by written instruments duly recorded with the Registry.

Section 11.11. Disposition of Trust Property Upon Termination. Upon the termination of this Trust, the Trustees may, subject to and in accordance with the provisions of Chapter 183A, sell and convert into money the whole of the Trust Property, or any part thereof, and, after paying or retiring all known liabilities and obligations of the Trustees and providing for indemnity against any other outstanding liabilities and obligations, shall divide the proceeds thereof among, and distribute in kind, at valuations made by them which shall be conclusive, all other property then held by them in trust hereunder, to the Unit Owners according to their respective Beneficial Interest stated in this Trust. In making any sale under this section, the Trustees shall have power to sell by public auction or private sale or contract and to buy in or rescind or vary any contract of sale and to resell without being answerable for loss and, for said purposes, to do all things, including the execution and delivery of instruments, as may by their performance thereof be shown to be in their judgment necessary or desirable in connection therewith. The powers of sale and all other powers herein given to the Trustees shall continue as to all property at any time remaining in their hands or ownership, even though all times herein fixed for distributions of Trust Property may have passed.

IN WITNESS WHEREOF, the undersigned, being the sole original Trustee, has signed these presents under seal as such Trustee as of the date first set forth above and hereby accepts appointment as such Trustee and agrees to be bound by and act in accordance with the foregoing provisions of the Trust and any duly enacted amendments thereof.
